

"Now thanks be to God who always leads us in triumph in Christ..." – 2 Corinthians 2:14 (NKJV)

**Isn't it wonderful to know that God promises to always lead us into victory?**

- This means no matter what you are facing today, no matter what's going on in the world around you, no matter what anybody says, you should always be thanking God because victory is always on the way!
- You don't have to wait for everything to be perfect before you decide to celebrate what God is going to do in your life.
- You know that victory can only be experienced if you have been through a battle...so the promise of God is that He will bring you into victory through the battle you are facing.

**GIVE HIM THANKS THROUGH ALL YOUR BATTLES!**

Psalms 79:13 (NKJV)

Psalms 92:1-2 (NKJV)

Psalms 105:1-5 (NKJV)

**Praise is putting action behind your faith:**

- In the middle of that adversity or tough time, start making a list of who you're going to invite to your victory celebration.
  - ...that means if you're in the hospital, start planning what you're going to do when you get out.
  - ...if you lost some money when the stock market went down, start planning your coming-out-of-debt party.

*When things don't look good in the natural, remember, we serve a supernatural God.*

*With God leading you into victory, you can always plan for increase.*

*You can plan for restoration. You can plan for a comeback, and you can plan for victory because He is leading and guiding you in all things!*
